Maintain a uniformity across multiple surfaces and sizes

The **Forma Collection** is inspired by the concept of "Format," with its multi-size, multi-surface design approach. The collection is available in Polished, Rocker, Orra, & Orra structure and features a palette of warm and subtle natural colours.

The Collection not only adorns your surroundings with subtle elegance but also provides flexibility in application, enabling you to customise your environment according to your unique taste and style. Whether you seek a serene backdrop for relaxation or a chic setting for entertaining, **Forma Collection** the perfect solution, combining functionality with an understated sophistication.

Lively hues

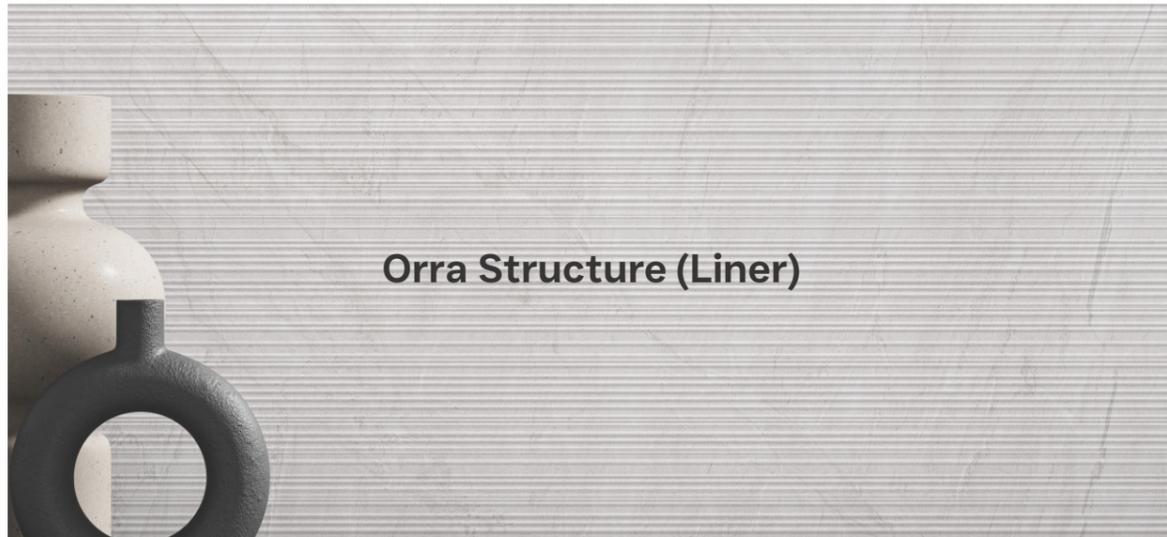

With 15 designs in neutral, warm-toned, and natural-toned colours, the **Forma collection** evokes emotions while captivating the essence of authenticity.

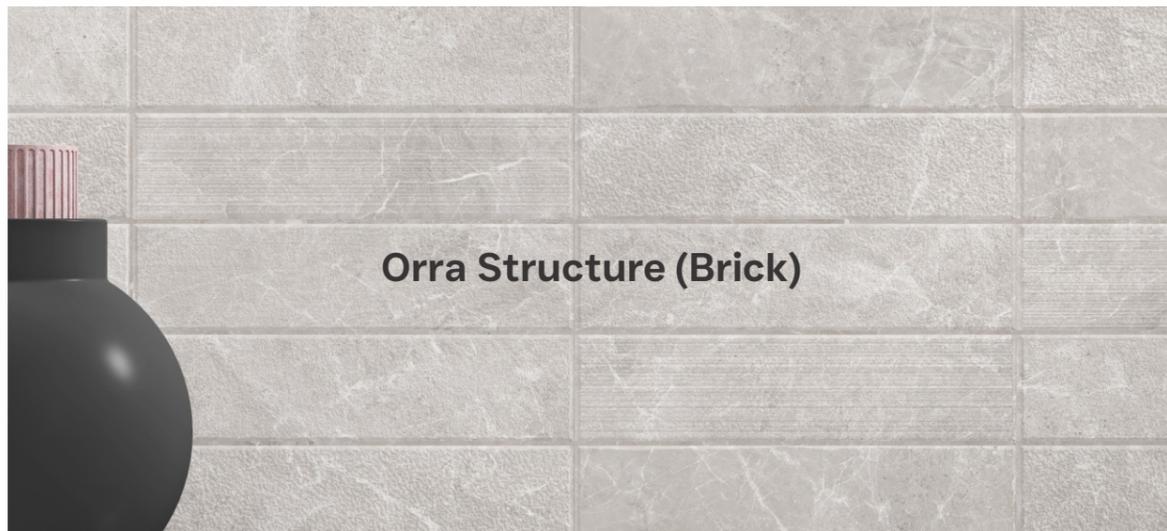

A structure that's timeless

The structure of the **Forma Collection** add an eccentric touch that transforms your space into an inviting abode. Add texture and dimension to your space and create a striking visual effect with the help of a liner structure.

Orra Structure (Liner)

Orra Structure (Brick)

The brick structure introduces a sense of warmth and texture that evokes a cozy, rustic charm and elevates your space with a natural appeal.

Application Areas

From residential interiors to large-scale commercial spaces, the surfaces from the **Forma Collection** offer significant advantages across multiple settings. Here are some key application areas where these surfaces make an impact:

Residential Spaces

Commercial Spaces

Polished:

Crafted with advanced polishing technology, the Polished surface delivers a glossy surface that enhances light reflection and creates a luxurious ambience. Resistant to chemicals and stains, it ensures durability and effortless maintenance.

Rocker:

India's first matt surface with selective shine, Rocker blends matt and gloss effects for a striking visual contrast. Rocker's scratch resistance and chemical durability ensure long-lasting appeal and easy maintenance.

Orra:

Orra surface blends advanced digital technology with a homogeneous, low-shine surface. Orra's refined, soft aesthetic combines luxury with practicality for timeless elegance in modern spaces.

Unique elements for your space

Our surfaces carry high qualities and exceptional attributes, giving you the ideal solution for superior performance.

Advanced Glaze Technique

The advanced glaze technique offers a breakthrough in aesthetics and durability, providing a superior finish.

Resistance to UV Light

This feature ensures added durability even during sunlight exposure, enhancing your surface's longevity.

Resistance to Scratch

Boosted with exceptional scratch resistance to ensure that the surface remains pristine and unblemished even with frequent use.

Resistance to Abrasion

This feature is apt for areas with heavy footfall and ensures to improve the durability of your surface.

Resistance to Stain

This resistance not only helps maintain the aesthetic appeal of your surfaces but also extends their lifespan.

Low Water Absorption

This feature effectively resists moisture and prevents damage while focusing on the durability of your surface.

Thermal Resistant

This refers to their ability to withstand temperature fluctuations without being affected by heat or cold.

Resistance to Fire

The fire-resistant feature contributes to a safer environment, providing added security and durability in everyday use.

Zero Bacterial Risk

An advanced technology that helps to prevent the growth and spread of harmful bacteria.

Eco Friendly

Perfect for environmentally conscious homes and commercial spaces, these offer both style and sustainability.

Resistance to Frost

In order to safeguard your space against low temperatures, our surfaces are amassed with resistance to freezing.

No Colour Fading

This feature ensures that the colour remain vivid and true over time, even with exposure to daily wear and tear.
